

OPTIONAL TRIP INSURANCE INFORMATION

This letter contains information on how to purchase optional travel insurance for your students high school trip through Travel Insured.

Below is a link that will allow you to purchase the Group Travel Protection Plan for your trip. Rates are based on overall trip cost and not age. You will need to enter your full trip cost for accurate coverage. If interested in purchasing the student discounted travel insurance please click the link below to go direct to Travel Insured. Note: All payments, claims, questions will be done directly through Travel Insured. We are only providing the link if you want to purchase the insurance.

- **NO travel insurance can be purchased once final payment has been made to the school. If a family pays their trip in full as example at first deposit they will not be able to purchase the travel insurance.** No exceptions can be made as this is the travel insurance company's policy.
 - The website will ask for a final payment date. If a family has made final payment they should indicate this date, as insurance cannot be purchased once paid in full. If they are not paid in full the family can list the final payment due date to the school. If a claim is placed later they will then be required to supply the actual date they paid final payment to the school for Travel Insured's reporting purposes.
- **The "Cancel For Any Reason" option is reflected as an option on the flyer, however the quote/premium on Travel Insured's website DOES include the "Cancel For Any Reason" option.**
- **DO NOT call to try and book since you may not get the student policy/pricing and your policy will not be linked to the group.**
- **Please make sure the policy you are trying to purchase is made through the link below to get the student pricing. DO NOT copy the below link and paste in a web browser. You MUST click the link below or you will NOT go to the correct student pricing. Below is a screen shot of what the correct screen looks like. If you are NOT on this page then you need to check the link you are clicking.**

Please refer to your school advisor on trip due dates for deposits and final payment. Please keep track of all payments made to the school, if a claim is placed later you will need to provide receipts to the insurance company (Example 9/21/23 Ck #275 for \$500).

- Insurance does not need to be purchased until **11/17/2023** as no penalties will be applied prior to this date. However keep in mind we recommend purchasing by **11/17/2023** since there may be a penalty to cancel after this date. Once the insurance is purchased the premium may be non-refundable. You would need to check with Travel Insured on their policies.
- If you decide to purchase the insurance please list FULL first and last name of traveler as shown on photo ID. (Ex-Suzy Smith; Name on photo ID shows Suzanne Smith; book Suzanne Smith)
- Travel insurance including CFAR (Cancel For Any Reason) coverage can be purchased BEFORE the families make final payment to the school.
